Report Highlights:

ATO Chengdu participated in the 2016 Food Ingredients China in Shanghai from March 23-25. Exhibits covered the 23 state-ratified categories of food additives, 35 categories of food ingredients, food processing aids, machinery and techniques, etc. FIC is the only USDA-endorsed food ingredient expo in China. Twelve U.S. companies and representative offices participated this year. Posts estimates over \$600,000 of U.S. food products (including dairy products, food additives, and dried nuts), would be purchased in the coming 12-month period as a result of Post facilitation. U.S. constituents may
