Mila Boshnakova

**Report Highlights:**

In 2016 Bulgaria followed EU agricultural and food import requirements. Please see GAIN report E16060 for detailed description of EU import regulations and requirements.

No new or additional national import requirements have been introduced by Bulgaria. Please, see [BU1546](#) for import certification requirements. In 2016 Bulgaria liberalized import procedures for U.S. almonds and peanuts. New labeling requirements are currently under debate but are not introduced yet.
