Czech Republic

Food and Agricultural Import Regulations and Standards Report

FAIRS Export Certificate Report 2018

Approved By:

Emily Scott, Agricultural Attaché

Prepared By:

Jana Mikulasova, Agricultural Specialist

Report Highlights:

The Czech Republic has implemented all EU regulations regarding required export certifications. For information on EU export certifications, please see the Food and Agricultural Import Regulations and Standards – Certification Report prepared by the [United States Mission to the EU in Brussels](#) available at <http://gain.fas.usda.gov>.

Section I. List of All Export Certificates Required By Government (Matrix) :

Export Certification

Harmonized certificates and information related to trade with commodities subject to veterinary controls are available on-line at the website of the State Veterinary Administration: <https://en.svscr.cz/trade-with-vet-commodities/general-information/>, under the Trade with vet. commodities tab on the left hand side of the website.

For phytosanitary certificates for products not listed in the EU plant Directive 2000/29, please contact the State Phytosanitary Administration, which is part of the Central Institute for Supervising and Testing in Agriculture. Please find the current contact information at the end of this document.

Section II. Purpose of Specific Export Certificate(s)

Veterinary health certificates ensure that animals can be moved safely avoiding the transmission of diseases to either the public or other animals. The EU laid down a wide range of animal health requirements. The purpose of the requirements for animal origin products is to guarantee that imports meet the standards of production in Member States. Phytosanitary certificates are needed for all plant products that could introduce pests into the EU.

Section III. Specific Attestations Required on Export Certificate(s)

N/A

Section IV. Government Certificate's Legal Entry Requirements

N/A

Section V. Other Certification/Accreditation Requirements

For pet birds in addition to an EU harmonized certificate, it is necessary to request actual requirements information from the State Veterinary Administration.

Appendix I. Electronic Copy or Outline of Each Export Certificate

For copies and outlines of the required export certificates please follow the links under Export Certification in Section I. The state Veterinary Administration strongly recommends contacting them for current conditions and requirements prior exporting animals and animal products to the Czech Republic at int@svscr.cz.
