## Mexico

**Post:** Mexico

### **Visiting Mexico? Updated list of plant, animal, and food products prohibited and permissible into Mexico.**

**Report Categories:**

Agriculture in the News

**Approved By:**

Dan Berman

**Prepared By:**

Pete Olson

**Report Highlights:**

According to recent press articles, Mexico's plant and animal health and food safety regulator at points of entry, Senasica, has updated its list of food items prohibited from entry into Mexico. Persons traveling into Mexico via land crossings or airports should review this list to ensure a speedy customs and immigration experience.

## **General Information:**

According to recent press articles, (eg: [El Diario](#)) Mexico's plant and animal health and food safety regulator at points of entry, Senasica, has updated its list of plant, animal, and food items prohibited from entry into Mexico. Persons traveling to Mexico via land crossings or airports should review this list to ensure a speedy customs and immigration experience. The links below provide additional information:
